Geosciences, Hydrogeologist, Tenure-Track

Requisition Number: 2422

Position begins: August 1, 2014

Teaching responsibilities include undergraduate and graduate courses in hydrogeology and environmental geology. Other teaching responsibilities may include introductory courses such as Earth Science and Physical Geology. The selected candidate is expected to have a background in geomorphology, geological applications of GIS, and geology of soils. Research, university/community service, and cooperative work with Department faculty and staff are expected.

Excellence in teaching, research/creative activity and service is expected for all positions. MTSU seeks candidates committed to using integrative technologies in teaching.

Minimum Qualifications

Ph.D. in Geoscience or related field required.

Preferred Qualifications

Include statement of teaching philosophy as one of the attachments.

Special Instructions to Applicants

Supplemental materials REQUESTED (NOT REQUIRED TO APPLY) for initial applicant review:
---Letters of Recommendation
---Transcripts
These documents may be scanned and attached to the application, mailed by applicant, or mailed from a service.

Supplemental materials REQUIRED if selected for an on-campus interview:
---Three ORIGINAL letters of recommendation (original signature, on letterhead, current date)
---OFFICIAL transcripts of all degrees
These required documents are to be sent directly from the recommenders/university to the MTSU College of Liberal Arts.
